Blossom  
Class  
Update -  
Term 4

**Communication and Language:** This term we are focusing on showing enjoyment and engagement in sharing fiction texts, rhymes and songs 'That's my flower- Alice Hemming'

**Physical Development:** This term we are focusing on using one handed tools safely. We will be decorating pancakes, decorating butterfly cakes and making easter cakes.

**Personal, Social and Emotional Development:** This term we are focusing dealing with touch. We will be using TacPac, sensory massage, use of foot spas and sensory stories.

**Literacy:** This term we are exploring letters and using a variety of ways to develop our mark making. We will be using sand, flour and foam to practice our drawing. This will help develop our writing skills.

**PSHE:** This term our unit focus is "What do we need" as we progress through from babies, to toddlers to adulthood - which we will explore through Theraplay.

Throughout the PSHE sessions, we will be exploring our emotions through a range of activities.

**Phonics:** We will explore our RWI Set 1 sounds through exploration of edible objects, using our senses to explore whilst exposing the sounds in the environment.
