Visuals make meaning clear, support understanding and build confidence.

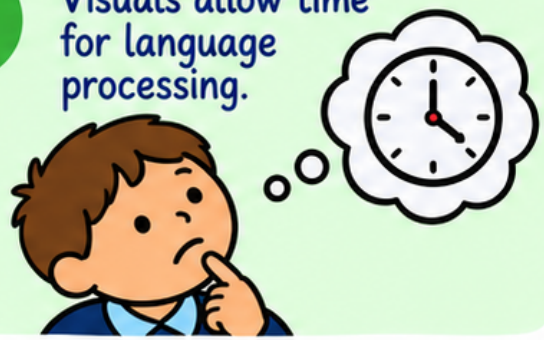

9 REASONS to use visuals

See it.
Understand it.
Remember it.

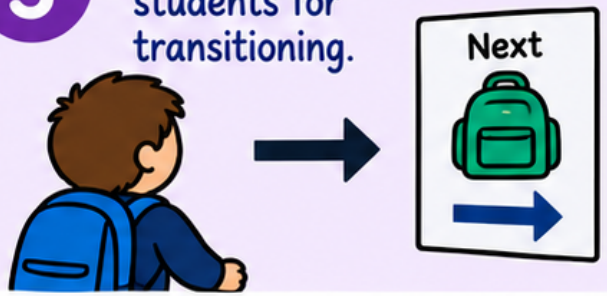

1 Visuals are permanent.

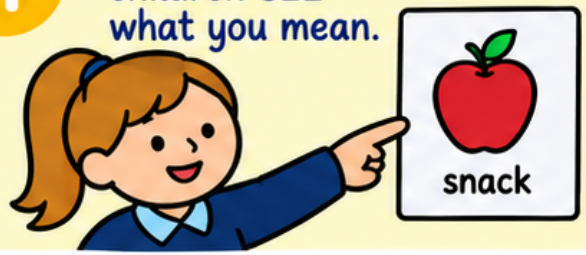

2 Visuals allow time for language processing.

3 Visuals prepare students for transitioning.

4 Visuals help the children SEE what you mean.

5 Visuals help ALL children.

6 Visuals help build independence.

7 Visuals are transferable between environments and people.

8 Visuals have no attitude, no tone, no frustration and no disapproval.

9 Visuals help reduce anxiety.

Visuals support understanding, communication and confidence every day!
